FEES FOR LEGAL PROCESS: EFFECTIVE JULY 1, 2009

These fees are to be paid in advance, are non-refundable, and considered earned when the request for service is made (F.S.S. 30.231). It is the responsibility of the party requesting service of process to furnish the Sheriff an **original or certified true copy** of the process and sufficient copies for the parties to be served. Florida State Statute requires the party requesting service to provide the Sheriff the best known actual address where service may be made. Post Office Boxes, rural routes, general delivery and other directions that do not provide a specific physical location are unacceptable. Acceptable forms of payment are money order, cashier's check or a local check. We do not accept out-of-state checks, unless from a government agency or municipality. **DO NOT SEND CASH.**

A return stamped envelope, addressed to the originating clerk of court, and an additional stamped envelope, addressed to the party requesting service is required to send the Original Return of Service and copy to the courts and for your record. Below is a list of current fees; however, these fees are subject to change and you should contact the Legal Process Division for the current fees as permitted by statute.
